## ORDER

Re: **People of MI v Joseph Elon Harris**

Docket No. **279037**

L.C. No. **92-001788**

Donald S. Owens, Judge, acting under MCR 7.211(E)(2), orders:

The appellant's motion for reconsideration of the November 21, 2007, order is STRICKEN for failure to timely cure the defect. This Court notified appellant on December 6, 2007, that the motion was defective for failure to file a proof of service. The letter provided that the motion would be stricken if not cured within 14 days. Over 14 days have passed and the proof of service has not been filed.
